

Contents

Functions, Relations and Transformation of Graphs.....1

Session 1	Key Definitions, Terminology and Concepts.....2
	Worked Examples
Session 2	Further Definitions, Terminology and Concepts.....15
	Worked Examples
Session 3	Study Examples.....34
Session 4	Even and odd functions. Sum and product of functions.....46
	Composite and Absolute value functions. Examples
Session 5	Study Examples.....57
Session 6	Exam Style Questions.....70
Session 7	SAC and Further Examination Style Questions.....83
Session 8	More SAC and Exam Style Questions. Binomial Theorem.....96

Exponential and Logarithmic Equations and Functions.....110

Session 9	Exponential and Logarithmic Equations. Concepts. Examples.....111
Session 10	Exponential and Logarithmic Functions. Concepts. Examples.....121
Session 11	Study Worked Questions.....132
Session 12	SAC and Exam Style Questions.....146
Session 13	Further SAC and Exam Style Questions.....154

Trigonometry.....162

Session 14	Trigonometric ratios. Unit Circle. Exact Values. Functions.....163
	Concepts and Examples
Session 15	Trigonometric Equations. Concepts and Examples.....178
Session 16	Practice 1.....191
Session 17	Practice 2.....207
Session 18	Exam Style Questions.....222
Session 19	More Exam Style Questions.....233

Differentiation and Application of Differentiation.....243

Session 20	Differentiation. Concepts and Study Examples.....	244
Session 21	Differentiation. Practice 1.....	252
Session 22	Differentiation. Practice 2.....	267
Session 23	Application of Differentiation. Theory. Concepts and Examples.....	280
Session 24	Study Questions 1.....	290
Session 25	Study Questions 2.....	306
Session 26	Study Questions 3.....	319
Session 27	Key Exam Style Questions.....	338
Session 28	Key Exam Questions 1.....	357
Session 29	Key Exam Questions 2.....	370

Integration and Application of Integration.....385

Session 30	Theory and Study Examples.....	386
Session 31	Study Examples 1.....	393
Session 32	Study Examples 2.....	399
Session 33	Study Examples 3.....	410
Session 34	Exam Style Questions 1.....	424
Session 35	Exam Style Questions 2.....	440
